Fair Use Policies

Some Three services are subject to our fair use policy. To make sure no one abuses this freedom, we have set monthly limits of:

- Free Three to Three applies within the Republic of Ireland only, and where under your Price Plan, Three to Three is unlimited, it is subject to fair usage policy of 3000 minutes per month.

If you exceed these limits, we may ask you to moderate your usage. If you continue to exceed these limits, we reserve the right to suspend or terminate your service or bill you at relevant out of bundle rates in accordance with your Price Plan and the Terms for Three Services.

In accordance with Regulation (EU) 2015/2120 ("The Roaming Regulation"), an EU fair use policy is applied in respect of the All you Can Eat Data service and the applicable EU roaming data allowance is calculated in accordance with the EU fair use policy at <http://www.three.ie/termsconditions/services/new/bill-pay-price-plan-terms-conditions/> for Bill Pay customers and for Prepay customers at <http://www.three.ie/termsconditions/services/new/prepay-price-plan-terms-conditions/>.

General

1. Each text / picture / video message can accommodate 160 characters. Some mobiles allow for more, these will be divided and sent in numerous messages (depending upon length). Each message will be deducted from your monthly allowance (if any) or charged at standard rates.

2. International messaging functions are subject to services arrangements with respective networks abroad. Calls and messages to these numbers are excluded from any inclusive allowance in all price plans.

3. Non-recurring payment: Three's preferred method of payment is by recurring Direct Debit. Recurring payments have no additional charge.

4. Reconnection charge: If we have to suspend or disconnect you from the Three network, we reserve the right to charge you for reconnecting your mobile.

5. Cancellation fee: Bill Pay customers only – there is no cancellation fee if you wish to cancel after your Minimum Term has finished. All reference to Ireland means Republic of Ireland.

Billing and Rounding of Charges

Three calculates (i) the VAT exclusive usage and monthly recurring charges and (ii) the VAT payable thereon to three decimal places. In accordance with standard mathematical rounding, Three rounds up or rounds down these charges to the nearest cent (€0.01) for the purpose of issuing the final billed amount.

Examples:

A charge of €24.756 would become €24.76 when rounded to the nearest cent.

A charge of €26.444 would become €26.44 when rounded to the nearest cent.

If you exceed these limits, we may ask you to moderate your usage. If you continue to exceed these limits, we reserve the right to suspend or terminate your service or bill you at relevant out of bundle rates in accordance with your Price Plan and the Terms for Three Services.
