\*The annual price increase of 4.5% for the plan monthly charge is as set out above and, in the agreement, issued to you and increases by an additional 4.5%, effective from every April thereafter. + where the first bill of the Minimum Term falls in March, the monthly charge from April Y1 bill until March Y2 bill will not change but will increase the following year by 4.5%

If your contract began between January 20th 2023 and July 29th 2025, your monthly charge increases under this contract by Consumer Price index (CPI) Rate + 3%, effective from every April thereafter.

The CPI rate will be based on Central Statistics Office (CSO) published annual CPI rate reflecting the index movement over the prior 12 months, published in January of each year. Minimum increase 3%. + where the first bill of the Minimum Term falls in March, the monthly charge from April Y1 bill until March Y2 bill will not change but will increase the following year by CPI + 3%

**Example (CPI % for illustration purposes in the table below only and the actual monthly charge payable will be subject to the published CPI rate plus 3% referred to above)** Y1 CPI = 3% therefore increase = 6%  
Y2 CPI = 4% therefore increase = 7%
