Prepay Broadband Plans

	Allowance Period	Price	Allowance
3 Prepay Broadband	28 days	€30	30GB

Price includes VAT. For terms and conditions see footnotes. Prepay Broadband can be used where Three has HSDPA coverage. If you top up with the minimum amount for your plan or greater, i.e €30 or more, in one top up, with allowances left, and your plan is still within its 28 day cycle, your top up will reactivate the plan and your allowances will reset for another 28 day benefit period. Any remaining allowances at that time will not carry over to your 28 day benefit period.

Inclusive allowances

On our price plans for pay monthly customers, you may receive a monthly inclusive allowance. If you do not use up your allowance in that month, you lose the unused portion of your allowance and it does not roll over to the next month and no refund or credit is applied for any unused portion of the monthly allowance.

Prepay Broadband

If you have enabled 'out of bundle usage' on your account and you exceed these limits, your usage will be charged at 6.15c per MB out of your available top-up credit.

Changing price plans

If you join Three on a Bill Pay price plan, you're making a Minimum Term commitment. If you wish to change to a higher available Price Plan than the one you originally joined us on, you can do this at any time (on such terms as specified by Three).

- It is a condition of you signing up to these plans that you agree to make payments to Three by direct debit. An additional charge applies for payments which are not made by direct debit.

- Three reserves the right to amend its fair use policy for use of Three services while roaming in accordance with Regulation (EU) 2015/2120 ("The Roaming Regulation")

- If you are a new customer your first bill will comprise a charge for a partial first month taking you from your joining date to the end of the first month plus the charge for the first full month. You will also have your allowance of inclusive minutes and/or messages adjusted to cover one full and one partial month. From the second bill onwards you will be billed as normal with one monthly charge per bill.

Fair Use Policies

Some Three services are subject to our fair use policy. To make sure no one abuses this freedom, we have set monthly limits of:

- Bill Pay Data is charged at 6.05c per MB if you go over your data allowance.

General

1. Non-recurring payment: Three's preferred method of payment is by recurring Direct Debit. Recurring payments have no additional charge.

2. Reconnection charge: If we have to suspend or disconnect you from the Three network, we reserve the right to charge you for reconnecting your mobile.

3. Cancellation fee: Bill Pay customers only – there is no cancellation fee if you wish to cancel after your Minimum Term has finished. All reference to Ireland means Republic of Ireland.

Billing and Rounding of Charges

Three calculates (i) the VAT exclusive usage and monthly recurring charges and (ii) the VAT payable thereon to three decimal places. In accordance with standard mathematical rounding, Three rounds up or rounds down these charges to the nearest cent (€0.01) for the purpose of issuing the final billed amount.

Examples:

A charge of €24.756 would become €24.76 when rounded to the nearest cent.

A charge of €26.444 would become €26.44 when rounded to the nearest cent.

If you exceed these limits, we may ask you to moderate your usage. If you continue to exceed these limits, we reserve the right to suspend or terminate your service or bill you at relevant out of bundle rates in accordance with your Price Plan and the Terms for Three Services.
