

3 Prepay Broadband plan (the "Plan")

1. The following terms and conditions of the Plan are in addition to and form part of the terms and conditions of the Three Ireland (Hutchison) Limited ("Three") terms of service available in the Small print Guide which is available on three.ie. In the event of any conflict the terms and conditions below shall prevail.

2. The Plan is a mobile broadband plan. We will use reasonable efforts to make the mobile broadband service available to you at all times but due to the nature of mobile technology it is not possible to provide you with a fault free service. Both quality and availability of the service are affected by a range of factors. To access the plan you will need to be in an area covered by the network. Up to date information on network coverage can be accessed at [//www.three.ie/coverage-checker](http://www.three.ie/coverage-checker).

3. You must top up by €30 to activate the Plan which provides a data allowance of 30GB for 28 days from purchase.

4. Any unused data at the end of a 28 day period shall expire and cannot be carried over to the next 28 day period.

5. If you top up by €30 or more during an existing 28 Plan period will re-activate the Plan and a new 28 day Plan period will commence.

6. There is no carry over of any unused data allowance if you complete a Top Up of €30 or more before or after your 28 day Plan period expires.

7. If you use up your allowance within a 28 day plan period, you should top up by €30 to reactivate the Plan to continue using prepay broadband services.

8. Three mobile broadband performance is subject to network coverage, environmental factors and availability.
