

Bill Pay Add-ons for 3 Bill Pay 100, 3 Bill Pay 300, 3 Bill Pay Unlimited, 3 Bill Pay Unlimited Plus (3 Bill Pay Unlimited +) and 3 Bill Pay Unlimited SIM Only (the “Plans”)

The following terms and conditions apply to the list of Three Add-ons below these terms which are available with certain of the Plans only, as determined by Three (the “Add-on(s)”).

### General

1. Add-ons are not available on a standalone basis and are available as an additional service under your agreement with Three.
2. Some Add-ons are not available with some of the Plans and you will only be presented with Add-ons available with your Plan.
3. In exchange for the relevant Add-on charge (the value of which will be stated at the point of purchase) you will be given a single block or a bundle of minutes, texts or data (the Add-on type will be stated at point of purchase) in addition to your Plan allowances.
4. Add-ons may only be removed by calling Three Customer Care on 1913.
5. The Add-ons made available by Three are subject to change and may be updated by Three from month to month.

### Recurring Add-ons

6. You cannot apply more than one recurring Add-on of the same type to your account at any one time.
7. Recurring Add-ons are charged in advance on a monthly basis except for a pro-rata charge in the first month (depending on when in your bill cycle the Add-on is applied to your account) and will be applied to your account within 24 hours. If applied during your bill cycle, you will only be charged for the days the Add-on was applied to your account during that bill period.
8. Recurring Add-ons are reapplied to your account at the start of your bill cycle.
9. Once you exhaust your Add-on’s allowance, any further usage will be deducted from your Plan’s allowance (if any) or from another Add-on allowance. If you have no remaining Add-on or Plan allowance remaining, Plan out of allowance rates will apply.
10. Any unused allowance of the Add-on allowance cannot be carried over to the next month.

### Non-recurring Add-ons

11. If it is a once-off or non-recurring Add-on, this will be applied to your account within 24 hours and will expire either after 30 days of application or on consumption of the allowance, whichever occurs first. Add-ons with “30 day” in the Add-on name are non-recurring and will be charged on your next bill.
