1. The following terms and conditions of the Plan are in addition to and form part of the terms and conditions of the Three Ireland (Hutchison) Limited ("Three") terms of service available in the Small print Guide which is available on [three.ie](http://three.ie). In the event of any conflict the terms and conditions below shall prevail.
2. You must select your preferred price plan when connecting to Three. If you Top Up by less than €20, credit will be applied to your account. This credit can be used for services not represented in the Plan allowances. Plan allowances are as set out at section 3 below. The amount of the credit will reduce as a result of the Service being used according to charges as set out at [//www.three.ie/price-guide](http://www.three.ie/price-guide). No Services may be made once all credit has been used (with the exception of calls to the emergency services). Prepay Top-up vouchers must be activated within 90 days of purchase.
3. Any unused credit shall expire 180 days following voucher activation or application of credit to your account. This 180 day expiry period also applies to any credit on your account which has been accumulated on other Three prepay plans if you move to the Plan.
