

- (1) When the Customer reaches the maximum limit of data (4TB) their data access will be capped;
- (2) Out of bundle rates are charged for Mobile Services which are not included in the Sharer Price Plan (the "Sharer Plan") allowance or, should the cap referenced in (1) above be removed, when the texts/data allowance included in the Sharer Plan are exceeded. Please check current out of bundle rates on [www.three.ie](http://www.three.ie). Pricing details of out of bundle rates as published on [www.three.ie](http://www.three.ie) are incorporated by reference.
- (3) Any unused portion of the monthly Price Plan allowance cannot be carried over to the next month.
- (4) The Customer can separately purchase additional Mobile Services by way of an add-on (additional Charges apply). Any change to those add-ons do not amount to a change to this Agreement.
- (5) Text usage will be applied in the following order: 1. Price Plan inclusion texts 2. Purchased Add-ons 3. Out of bundle rates, if applicable in the event of the removal of the cap set out at (1).
- (6) Data usage will be applied in the following order: 1. Price Plan inclusive data 2. Purchased Add Ons 3. Out of bundle rates if applicable in the event of the removal of the cap set out at (1)..
- (7) EU fair use policy terms set out at <https://www.three.ie/legal/terms/business/> apply and are incorporated by reference.
- (8) If Data Option A (EU fair use policy) above is selected: Plan data allowance is available only in the Republic of Ireland. EU fair use policy applied in respect of plan data allowance. EU roaming data allowance (above) calculated in accordance with EU fair use policy. Overage (Out of bundle) Per MB rate (above) applies if EU roaming data allowance is exceeded.
- (9) Territories where Three provides roaming services and the way that roaming services are provided and the charges which may apply are subject to change. Three will use reasonable efforts to notify the customer of related changes to roaming services but is not required to do so (unless mandatory regulation requires otherwise).
- (10)The Customer will be charged based on the charges related to the Sharer Plan and the usage incurred within the billing cycle.
