Allowances cannot be used when roaming or to text landline, premium rate numbers, international numbers, directory enquiries numbers, MMS and all other text types. The allowance lasts for 30 days or until allowance is used (whichever is sooner). Standard rates apply once bundle usage is depleted.

Availing of an Add on: You can request a recurring Add on by typing *105# into your handset and following instructions. You can unsubscribe in the same manner. If you have difficulties accessing this code via your handset you can also request an Add on instore or online. You can purchase the Domestic Once Off Text & Voice Add ons in store or by calling Customer Care.

Charges: Up to date charges are available on www.three.ie. The Add ons are recurring and are applied on the date of purchase.(This does not apply to once off add ons). Your Add on will recur on the same date in the next month. If your date of recurrence does not occur in the next month (i.e. 28th, 30th and 31st) then your recurrence date will be the last day of that month. If you exceed your Add on allowance at any time you will be charged at standard rates. There is no carryover of any unused Add on allowances after your next recurrence date. Certain bundle purchases may be restricted.

Amendments: The Three Prepay voice and text Add on rules may be varied or amended by Three for any reasonable commercial, technical or operational reason.

Effective Date: July 2013 (Amended March 2015)
