

## UK Roaming Add-On for Bill Pay customers

The following terms and conditions for the Three Bill Pay UK Roaming Add-On ("UK Roaming Add-On") are in addition to, and form part of, the General Terms for Services. Subscription by you to a UK Roaming Add-On is deemed to be your agreement to these terms and conditions.

The UK Roaming Add-On is available to Bill Pay customers on request through Three customer care on 1913.

There is no additional monthly charge to opt into the UK Roaming Add On.

The UK Roaming Add-On is applicable to use on the Three UK network in Northern Ireland, England, Scotland and Wales only. All use on other UK networks will be charged at standard UK roaming rates. See [www.three.ie](http://www.three.ie).

Calls to UK & Irish Mobiles and landlines are eligible for the UK Roaming Add-On Rates. Excludes all other calls types such as calls made to premium rate numbers, international numbers, directory enquiries.

The following usage rules apply:

- Northern Ireland Roaming: Calls to Irish & UK mobiles/landlines roaming on Three UK in Northern Ireland will be taken from your inclusive price plan minutes. If your inclusive minutes are exceeded in a particular month, any subsequent calls will be charged at 22.14c per minute Inc VAT. Per minute charging applies.
- Roaming in England Scotland and Wales: Your inclusive minutes cannot be used and calls to Irish & UK mobiles/landlines will be charged at 22.14c per minute Inc VAT. Per minute charging apply.
- Calls received while roaming are not charged. Standard roaming charges apply for texts, data and all other usage while roaming.

Once activated the UK Roaming Add-On will remain on your account until you move to alternate Three Price Plan that may not be eligible for the UK Roaming Add-On or when you avail of an alternate roaming price plan that does not include this feature.

Three reserves the right to suspend or cease this UK Roaming Add-On and to amend and modify these terms and conditions, including prices for any legitimate commercial, technical or operational reason.
